

Robert Muir

Senior Client Service Specialist
Willis Insurances Services of California, Inc.

Robert Muir's areas of concentration are corporate insurance and risk management. This includes establishing the risk management function for a U.K. based construction materials company that expanded into North America. On the insurance side, Robert's responsibilities include being the "trusted advisor" for a number of Fortune 500 companies, in addition to some large privately held companies.

He earned his MBA from the University of Tampa Sykes College of Business and a BA in management from the University of South Florida. Robert is an Associate in Risk Management having earned the professional designation from the Insurance Institute of America. He is an active participant in a number of areas at the University of Tampa, together with being the Vice-Chairman on the Board of Directors for a local non-profit organization.
